

NEW TOWN KOLKATA DEVELOPMENT AUTHORITY

(A Statutory Authority Under Government of West Bengal)
3, Major Arterial Road, New Town, Kolkata - 700 156

NOTIFICATION

Memo No. 5113/NKDA/Admn(BPS) – 415/11/2009

Date: 06.10.2020

During the Smart City Project Review Meeting held on 12th September 2020 it was suggested that mandatory regulations may be proposed so that Offices, Institutions and Gated Communities ensure converting 3 ECS (equivalent car spaces) into dedicated 'free bicycle parking' areas in all premises of New Town.

In connection with the above, the following aspects are advised to be followed regarding mandatory 'free bicycle parking areas' in all premises of New Town:

- i. For every building with plot size exceeding 6 cottahs (4320 sq. ft) it is mandatory to convert 3 number Equivalent Car Spaces (ECS) into dedicated "Free Bicycle Parking Zone". The areas so demarcated for parking inside premises shall be equipped with docks to enable cyclists to fasten their cycles and have a light plastic trampoline roof.
- ii. The 3 number equivalent car spaces converted to 'free bicycle parking area' shall be adjacent to each other in a single stretch to ensure a continuous stretch of 'free bicycle parking area'.
- iii. The "free bicycle parking" space thus derived shall be near the main entrance of the building to ensure seamless parking of bicycles.
- iv. The "free bicycle parking" shall be demarcated/ designated by separate signage or marking" and open to cyclists in New Town, Kolkata.
- v. The areas so demarcated for parking inside premises shall be equipped with docks to enable cyclists to fasten their cycles and have a light plastic trampoline roof.
